Who Are We?

The **Wyoming County Economic Development Authority** (WCEDA) has been serving Wyoming and the surrounding counties' business needs for over a decade. **The WCEDA has lent over \$6 million to our West Virginia neighbors.**

During the economic slowdown and resulting credit crunch, the WCEDA recognized a need to fill the lending gap throughout West Virginia. Without access to lower cost capital even successful businesses are at risk. So, the WCEDA has expanded their lending programs to include all West Virginia businesses.
