

"Oh, Wyoming County"

Oh Wyoming County  
Mountains  
Bipolar weather  
And great people

We love our County  
More than most  
And thank God  
Our neighbors are close

The bipolar weather  
Makes us wish  
We were at the beach  
With some fish

Regardless of our complaints  
This is the place we stay  
And most of us  
Wouldn't want it any other way
